To,

Dr. Palep's Medical Research Foundation,

Respected, Sir,

I am very much thankful to you and your team (scientists) for giving genuine ointment Pentaphyte P.5.

Being a Panchavalkal Kashaya in it, I used in painful mouthulcer, apthos alcers.

As I expected, I got very nice and immediate relief to my patients of some cases.

I wish you all New Bhartey Year wishes and best compliments for the future.

Thanking you.

Yours faithfully
Dr. Sou. Shivani S. Gavande
