☎ : 2966 4969, 2966 3104 Mob. : 9819114969

CLINIC : 7A, Sierra Tower, Next to Corporation Bank,  
Lokhandwala Circle, Kandivali (E), Mumbai - 400 101.  
Mob.: 98191 14969

Date : 07/12/12

During last six months.  
few anaemic antenatal patients  
were given Syt Trophogest fe  
and their haemoglobin estimation  
was done one month later with  
good dietary advise as well &  
the results showed clinical  
improvement of 2gm/l. rise in the  
Hb levels. ! Satisfactory results!
